It is a requirement, of our Rules and Constitution, that all fixtures are firstly made by telephone and then confirmed, on one of these slips in writing.

You should fill in two slips identically for all fixtures, home and away, then send one of them to your opponent and keep the other for proof in any later dispute.

ALL clubs must use these slips. More if required can be printed from here.

Remember to enter all confirmed fixtures on the League Secretary's form plus your own copy of same

**Complete this form online and then send it to League Secretary (use button on top of form), but remember to print off copies for your opponents
Confirmation Slips must also be used to inform the League Secretary of any changes of date, times, or venues**
